

Rei Koleci

Front end Developer - React

I hold a degree in Computer Science and have 4+ years of React exp, mostly web and also Native. My experience consists of Remote and On-site jobs based in Tirana, Albania.

Like to code in Server Side Frameworks such as Next or RemixRun.

During my exp have used a lot of cool libs/tools such as: Styled-components, Redux, react-query, GraphQL etc. Bulletproof skills in CSS!! (I take pride in this)
